Terms and Conditions

When referred to in these notes, "The Company" refers to: Glass Supplies PTY LTD.

We are pleased to submit this quotation in accordance with the above comments and our terms and conditions of sale. Please check the foregoing schedule that the quantity, sizes and handing of joinery is correct. (All units are shown as viewed from outside the building).

It is your responsibility to ensure that the detail contained on this document is accurate in every respect before signing the acceptance. Responsibility of accurate ordering rests entirely with 'you'.

All windows supplied need to be carefully installed and checked for squareness. We accept no liability for faulty installation or for frames manufactured if sizes or details change. All variations will be charged for and could result in an extended lead time.

Order Checklist

1. Are frame sizes correct? Please check both "Dimensions" and "Stud Opening Size" as they are different.
2. Is the glass correct on all windows and doors?
3. Are the reveal linings correct on each window as they may differ around the building different construction methods.
4. Are the hand of all windows and doors correct? Do doors hinge or slide the correct way? Do hinged doors open IN or OUT?
5. Hardware colour (locks, winders, handles, hinges and flushbolts) are black as standard for all products unless otherwise nominated on this quotation. Specially coloured hardware can be more costly and take up to 5 weeks lead times for availability.
6. Extrusion finish. Finishes other than Group A powdercoat will attract a setup fee and surcharge.

Once the quotation has been accepted, 'the company' will not be responsible for and incorrect sizes (other than those stated on this signed acceptance of the quote) or installation queries on site.

Once the quotation has been accepted and materials have been ordered, changes thereafter will incur a fee for any additional cost of labour and materials as required.

Glass Supplies supply only a driver on deliveries. Additional labour required to unload goods is to be supplied by the customer.

A service fee is applicable if a representative of 'the company' is required onsite due to incorrect installation.

A storage fee may be applicable if windows are required to be held in our factory beyond the agreed delivery date.

If you do not have a 30 day account with Glass Supplies we require a 50% deposit on acceptance and the balance payable prior to delivery.

If you wish to proceed we will need the following.

- Please have your Builder / Installer check the sizes before the next step.
- A filled out and signed copy of quotation scanned back to sales rep if all is correct.
- A 50% deposit paid by either phone or online if you do not have a current 30 Day Trading Account with Glass Supplies.
- Current mailing address for correspondence.

You can pay deposit by credit card by phoning our Reception on Phone: 6324 6222 (L'ton) or 6279 4111 (Hbt)

Or for your convenience by Direct Deposit (National Australia Bank)

BSB: 087-728 Account Number: 516152005

Note: Please provide quotation number and surname as a reference.

You may call in and sign and pay deposit in person at our office.
Sales rep will go through the quotation with you and explain anything you may not understand.
Thankyou for the opportunity to quote.
